PEAK MORTGAGE CELEBRATES EXPANSION WITH CLIENT APPRECIATION EVENT

Peak Mortgage is thrilled to announce that it has recently expanded to offer new mortgage branch offices in Salem, Eugene, North Portland, and Tualatin in addition to its original location in Canby, Oregon. "Our team members are so excited to get our roots established and really get involved within the local communities where we've opened our new branches. Supporting the good work of local charitable organizations is important to us so it's part of our culture here at Peak. That's how better communities are built...by strengthening one household at a time" said co-manager Chris Rodgers.

In celebration of their new locations, Peak Mortgage is hosting a Client & Colleague Appreciation Open House. Refreshments, live music, and a charity raffle benefiting the Community Warehouse of Tualatin will be included. Professionals in the real estate and financial industries as well as past clients and individuals interested in exploring mortgage lending options are invited to attend.
